UWEZO KENYA 2011

HOUSEHOLD SURVEY SHEET

- Have with you a map of the village where you have indicated the 20 sampled households.
- Survey all children of 3 to 16 age. Test children of ages 6 to 16 only, for reading in English, Kiswahili, maths and the Bonus Test.
- Please ask “Mothers and fathers” information directly to them. If they are not present ask another family member
- As far as possible, record information in the "HOUSEHOLD INDICATORS" section based on observation. Where it cannot be observed, please ask an adult in the house.
- See "Instruction Booklet" for more details
