# Findings on service delivery: dissatisfaction

- Dissatisfaction with service delivery
  - ... most of the teachers report here and stay for one year and then leave for other places pretending that they go for studies but they never come back. Those who remain stay in Dar es Salaam while we have plenty of houses here [...]”
  - ...the services are bad and unpredictable; today families with children went to the village dispensary and were told that there is no vaccination... they were asked to go to the nearby mission hospital which is 60km away....
  - ... Water is a serious problem here. Right now as I am talking to you, people are fighting for water, there is a very long cue; since mid-night people are waiting to get water...
