## REPORT OF MANAGEMENT FOR THE YEAR ENDED 31 DECEMBER 2013

The management of Hivos Tanzania/ Twaweza has the pleasure to submit the report for the Uwezo at Twaweza (also referred as "Uwezo" or "the Initiative"), together with the audited financial statements for twelve (12) month period ended 31 December 2013, which disclose the state of affairs of the initiative.

#### 1. PRINCIPAL ACTIVITIES

The principal activity of the Twaweza Initiative is the promotion of access to information and expanded space for public action among millions of citizens across East Africa, through information sharing, grant-making, brokering new partnerships, and learning and communication, with a specific focus on improving service delivery outcomes.

### 2. BACKGROUND TO UWEZO AT TWAWEZA

Uwezo at Twaweza is managed by Hivos Tanzania which aims at promoting better learning in East Africa by conducting research on the levels of literacy and numeracy of children aged 6/7 – 16 years, and refocusing public and policy debate on education from schooling inputs to learning actions. The Initiative has been implemented from 2009 and this is the fifth set of its financial statements.

These financial statements in the past have aggregated financial statements of the host organisations, Tanzania Education Network (TENMET), Uganda National NGO Forum (UNNGOF) and Women Educational Researchers of Kenya (WERK) as well as the regional office. However, all activities are now consolidated under Twaweza and these statements present consolidated report of work across the region.

#### 3. FINANCIAL STATUS

The budget for the Uwezo at Twaweza during its 4.5 year implementation period is approximately USD 19 million. This funding is primarily derived through grants from international agencies including Hivos Netherlands, the Hewlett Foundation, the UK Department of International Development (DFID), the Swedish International Development Agency (SIDA), The World Bank, AJWS and CIFF.

Funds from different donors are usually channelled through Uwezo dedicated accounts maintained by Hivos in the Netherlands and called down to the regional accounts based in Dar es Salaam when needed.

In 2013, Uwezo East Africa received a total of USD 5,275,156. The actual spending on expenditure for the period amounted to USD 4,719,702.

REPORT OF MANAGEMENT
FOR THE YEAR ENDED 31 DECEMBER 2013 CONTINUED

## 4. ADMINISTRATON POLICIES AND FINANCIAL REGULATIONS

Uwezo at Twaweza has formal Financial and Administration regulations approved by the Board of Directors of Hivos Tanzania. These provide a solid basis for accountability and high standards within the organization.

#### 5. AUDITORS

Deloitte & Touche have been auditors of Uwezo at Twaweza for the period from 2009 to 2012. Five Audit firms were invited for 2013 audit assignment, from which Ernst & Young was selected and were appointed auditors of Uwezo at Twaweza for the year ended 31 December 2013. They are eligible for re-appointment.

## STATEMENT OF MANAGEMENT'S RESPONSIBILITIES FOR THE YEAR ENDED 31 DECEMBER 2013

The management of Uwezo at Twaweza is responsible for preparing the financial statements that give a true and fair view of the state of affairs of the Initiative at the end of the financial year and of the operating results of the Initiative for the year. Management is required to ensure that the Initiative keeps proper accounting records which disclose with reasonable accuracy at any time the financial position of the Initiative and is also responsible for safeguarding the assets of the Initiative.

Management is responsible for the preparation of financial statement that give a true and fair view in accordance with International Financial Reporting Standards; and for such internal controls as management determines are necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

Management accepts responsibility for the financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgments and estimates, inconformity with International Financial Reporting Standards. Management is of the opinion that the financial statements give a true and fair view of the state of the financial affairs of the Initiative and of the results its activities. Management further accepts responsibility for the maintenance of accounting records which may be relied upon in the preparation of financial statements as well as adequate systems of internal financial control.

Nothing has come to the attention of the management to indicate the Initiative will not remain a going concern for at least twelve months from the date of this agreement.

# REPORT OF THE INDEPENDENT AUDITORS to the members of HIVOS TANZANIA

We have audited the accompanying financial statements of the Uwezo at Twaweza, which comprise the Statement of financial position as at 31 December 2013, and the statement of income and expenditure, statement of changes in accumulated funds and statement of cash flows for the year

then ended, and a summary of significant accounting policies and other explanatory notes.

### Management's responsibility for the financial statements

The management are responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards and for such internal controls as management determine is necessary to enable the preparation of financial statements that are free from misstatement, whether due to fraud or error.

#### Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we considered the internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that were appropriate in the circumstances, but not for the purpose of expressing an opinion on the entity's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion the accompanying financial statements presents fairly, in all material respects, the financial affairs of the initiative as at 31 December 2013, and its financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards.

| Equipment written off                  | -                   | (1,447)       | (1,447)  |
| At 31 December 2013                    | 47,836              | 21,712        | 69,548   |

In these financial statements, the statement of changes in accumulated fund for the year 2012 has been restated to include the translation reserve resulted from translation Uwezo Kenya tangible and intangible assets that were initially been maintained in KES. Translation differences were mistakenly being treated as reserves instead of being expensed.

## STATEMENT OF CASH FLOWS FOR THE YEAR ENDED 31 DECEMBER 2013

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 DECEMBER 2013

#### 1. COMPANY INFORMATION

Uwezo at Twaweza ("Uwezo") is a five-year Programme managed by Hivos/ Twaweza, a company limited by guarantee and not having a share capital is registered in Tanzania under the Companies Act, 2002. The addresses of its registered office and principal place of business are disclosed in the company information page of this report. The principal activities of the project are described on page 2 of this report.

The objective of the hosting company is to aid on humanistic basis which shall be deemed to mean the capacity of the human individual to judge and decide autonomously, the responsibility of the individual, the right to freedom, dignity and self-determination and the striving for a just tolerant society in developing countries.

#### 2. BASIS OF PREPARATION

The financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standard Board (IASB).

The financial statements have been prepared under the historical cost basis. The financial statements are presented in the United States dollars (USD) which is the reporting currency. The functional currencies are Tanzania (TZS), Kenya (KES) and Uganda Shillings (UGX).

## 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Revenue Recognition**

#### **Grants Income**

Twaweza Initiative operates funding arrangement with donors through Hivos Netherlands. Grants received are initially booked into deferred grants as a liability. The balance of this account is reduced gradually through transfer to capital and revenue grants as explained below:

#### **Capital grants**

Grants used for the acquisition of property and equipment during the period are allocated to a capital grants account. The capital grants are amortized to the income and expenditure statement on a systematic basis to match the depreciation charge on the assets acquired using the grants.

#### **Revenue grants**

Revenue grants represent balance of funds used for the general operations of the Uwezo at Twaweza's programmes and activities during the year.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2013 (Continued)

### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Operating expenses**

Operating expenses are recognized on an accrual basis.

#### **Advances and Prepaid expenses**

Advances and prepaid expenses consist of funds provided to vendors and employees to meet future obligations. In addition, advances are made to employees to cover travel expenses.

Advances and prepaid expenses are recognized upon payment and derecognized when service has

been rendered.

#### **Provision**

Provisions are made when the organization has a present obligation, as a result of past events where it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and reliable estimate for the amount of the obligation can be made for the obligation. Purchase orders raised are provided for as accruals at the reporting date.

#### Foreign currency translation

The financial statements are presented in the United States dollars (USD) which is the reporting currency. Functional currencies are Tanzanian Shillings (TZS), Kenya Shillings (KES) and Uganda Shillings (UGX).

Transactions in local currencies during the year are converted into USD at rates ruling at the transaction dates. Monetary assets and liabilities at the balance sheet date, which are expressed in local currencies, are translated into USD at rates ruling at the reporting date. The resulting differences from conversion and translation are taken into the statement of comprehensive income in the year in which they arise.

### **Equipment**

Property, Plant and Equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such costs includes the costs of replacing part of the property, plant and equipment and borrowing costs for a long term construction projects if the recognition criteria are met. All other repair and maintenance costs are recognized in income statement as incurred.

Depreciation is calculated in the straight line basis over the useful life of the assets as follows:

| Motor vehicles and Motorcycles         | 25%   |
|--|-------|
| Computers (including computer software | 33.3% |
| Furniture and Fittings                 | 12.5% |
| Other Equipment and tools              | 25%   |
|  |       |

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2013 (Continued)

#### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Equipment (Continued)**

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement in the year the asset is de-recognized. The assets' residual values, useful lives and methods are reviewed, and adjusted if appropriate, at each financial year end.

#### Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists, or when annual impairment testing for an asset is required, the Company makes an estimate of the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash generating unit's fair value less costs to sell and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Impairment losses of continuing operations are recognized in the income statement in those expense categories consistent with the function of the impaired asset.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the recoverable amount is estimated.

A previously recognized impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognized. If that is the case the carrying amount of the asset is increased to its recoverable amount. That increased amount cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the income statement. After such a reversal the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less any residual value, on a systematic basis over its remaining useful life.

#### Cash and short term deposits

Cash and cash equivalent in the balance sheet comprise of cash at banks and on hand and short term deposits.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2013 (Continued)

#### 3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Pension and other post-employment benefits

The project contributes in two statutory pension schemes (Parastatal Pension Fund and National Social Security Fund). For Tanzania and Kenya both the employer and employee contribute 10% each to the fund, while in Uganda 10% is contributed by the employer and 5% by the employee. The employer's contributions are charged to the income statement as they fall due.

#### 4. CHANGES IN ACCOUNTING POLICIES AND DISCLOSURES

The accounting policies adopted are consistent with those of the previous financial year, except for the following amendments to IFRS effective as of 1 January 2012:

- IAS 1 Presentation of Items of Other Comprehensive Income (OCI) Amendments to IAS 1
- IAS 1 Clarification of the requirement for comparative information (Amendment)
- IAS 19 Employee Benefits (Revised 2011)

The adoption of the standards or interpretations is described below:

#### IAS 1 Presentation of Items of Other Comprehensive Income (OCI) - Amendments to IAS 1

The amendments to IAS 1 introduce a grouping of items presented in OCI. Items that will be reclassified ('recycled') to profit or loss at a future point in time (e.g., net loss or gain on Available For Sale (AFS) financial assets) have to be presented separately from items that will not be reclassified (e.g., revaluation of land and buildings). The amendments affect presentation only and have no impact on the project's financial position or performance

#### IAS 1 Clarification of the requirement for comparative information (Amendment)

These amendments clarify the difference between voluntary additional comparative information and the minimum required comparative information. An entity must include comparative information in the related notes to the financial statements when it voluntarily provides comparative information beyond the minimum required comparative period. The amendments clarify that the opening statement of financial position, presented as a result of retrospective restatement or reclassification of items in financial statements does not have to be accompanied by comparative information in the related notes. The amendments did not have impact on the Project's financial position or performance.

#### IAS 19 Employee Benefits (Revised 2011)

The 'corridor approach' currently allowed as an alternative basis in IAS 19 for the recognition of actuarial gains and losses on defined benefit plans has been removed. Actuarial gains and losses in respect of defined benefit plans are now recognised in OCI when they occur.

For defined benefit plans, the amounts recorded in profit or loss are limited to current and past service costs, gains and losses on settlements and interest income/ expense The distinction between short-term and other long term benefits will be based on the expected timing of settlement rather than the employee's entitlement to the benefits. In many instances this is expected to have a significant impact on the manner in which leave pay and similar liabilities are currently classified. The amendments are effective as of 1 January 2013 and have no impact on project financial positions

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2013 (Continued)

### 4. CHANGES IN ACCOUNTING POLICIES AND DISCLOSURES (Continued)

The amendment is effective for annual periods beginning on or after 1 July 2011. The project does not have any assets with these characteristics so there has been no effect on the presentation of its financial statements.

#### 5. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The project's activities expose it to a variety of financial risks: credit risk, foreign currency risk and liquidity risk. The project's overall risk management programme seeks to minimize potential adverse effects on the project's financial performance. Risk management is carried out by the management team.

#### Liquidity risk:

Liquidity risk is termed as a risk arising when the project is unable to meet its obligations from maturing commitments due to insufficient fund. The project monitors its liquidity risks through monthly forecast of future cash flows to meet its obligations and commitments. Also provision is made on purchase orders for commodities and other trade payables.

#### Foreign currency risk:

Foreign currency risk is that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The project's exposure to the risk of changes in foreign exchange rates relates primarily to the operating activities when revenue or expense is denominated in different currency from the functional currency. The project manages its foreign currency risk by maintaining foreign currency bank accounts.

<sup>12. (</sup>a) The adjustment relates to property and equipment items that were broken beyond repair and in few cases misplaced during transition of Uwezo country offices into Twaweza. Uwezo activities had been managed by different organizations in each of the three East African countries between June 2009 and June 2012 prior to full integration within Twaweza.

**<sup>12.</sup> (b)** The adjustment relates to certain property and equipment items that were mistakenly depreciated beyond their useful lives in 2012.

#### **16. RELATED PARTY TRANSACTIONS**

### Transactions with related parties

Remuneration paid to key management personnel who are on contractual terms was as set out below:

|   | 2013<br>12 months | 2012<br>6 months |
|---|-------------------|------------------|
| a) Key management personnel remuneration      |                   |                  |
| Short term benefits (salaries and allowances) | 369,072           | 173,580          |

Key management personnel are described as those persons having authority and responsibility for planning, directing and controlling the activities of the Initiative directly or indirectly.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2013 (Continued)

### 16. RELATED PARTY TRANSACTIONS (Continued)

#### b) Loan from Twaweza

Uwezo received the non-interest bearing loan Twaweza to finance various activities of the project. The loan was provided by Twaweza initially as a cash management procedure (so as not to call down additional funds from Headquarters in Netherlands when Twaweza accounts in East Africa had adequate balances) and subsequently to enable Uwezo at Twaweza to continue activities while disbursement was held up due to delay in preparing 2012 financial statements. The loan was reimbursed in 2013 via the Hewlett Foundation agreeing to have its support to the mother Twaweza initiative be used for Uwezo costs.

The movement in the loan amounts is shown below:

|   | 2013<br>USD | 2012<br>USD |
|---|-------------|-------------|
| Balance at 1 July 2012 and 1 January 2013 Additional amount during the year | 2,117,263   | 2,117,263   |
| Repaid amount during the year   | (2,117,263) |             |
| Balance at 31 December  | -           | 2,117,263   |

#### c) Management fees

As per agreed strategy budget, Uwezo at Twaweza loan contributes a total of USD 125,000 per annum as management fees to Hivos Netherlands and Twaweza, at a rate of USD 62,500 each. The movement of the balance during the previous and current period is as shown below:

|   | 2013      | 2012    |
|---|-----------|---------|
|   | USD       | USD     |
| Opening balance                           | 234,319   | 171,819 |
| Fee charged during the period             | 125,000   | 62,500  |
| Management fee arrears for 2009-11 waived | (109,319) | _       |
| Amount paid                               | (250,000) |         |
| Closing balance                           | -         | 234,319 |
|   |           |         |

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2013 (Continued)

#### 17. COMMITMENTS AND CONTINGENCIES

#### **Contingencies:**

There are no contingencies at the year end.

#### Commitments:

Uwezo at Twaweza's general approach is to pay after delivery of work and scrutiny of reports. In 2013 a number of payments were not made up to budget due to partial delivery or inadequate provision of evidence/reporting. Expenditures do not include contractual commitments made but not paid out. The total outstanding value of signed direct program contracts not yet paid on December 31, 2013 was USD 337,273.

#### 18. EVENTS AFTER THE REPORTING DATE

At the time of signing these accounts the Management are not aware of any events subsequent to the financial year end that would result in either adjustment to the reported amounts and/or disclosures being included to the financial statements.

#### 19. CURRENCY

The financial statements are prepared in United States Dollars (USD). However, the currency of the primary economic environment in which the Initiative operates is the Kenya Shilling (KES), Ugandan Shilling (UGX) and Tanzanian shilling (TZS) for its operations in Kenya, Uganda and Tanzania respectively.
